RE: "Antibodies as Chimeric Effector Cell Receptors against Tumor Antigens" #10/006,773.

To Whom It May Concern:

As requested, attached is a substitute computer readable form (CRF) copy of the "Sequence Listing". An substitute paper copy of the "Sequence Listing", as well as an amendment directing its entry into the specification with a copy of the 7/24/2003 "Notice to Comply With Requirements for Patent Applications Containing Nucleotide Sequences and/or Amino Acids Sequence Disclosures" for application No. 10/006,773. The data contained in the CRF are identical to the written sequence and contains no new matter. The late fee of \$210.00 may be charged to my Visa Card Account shown on the attached USPTO Credit Card Payment Form.

Please call my administrative assistant, Cassandra Carter, with any questions.

Thank you.

Sincerely,

Richard P. Junghans, Ph.D., M.D.
